

ANTLER COPPER PROJECT

Draft Environmental Assessment – Public Comment Period

The Bureau of Land Management (BLM) is inviting the public to review and comment on the Draft Environmental Assessment (EA) for the Antler Copper Mine and Powerline Project.

We welcome and appreciate input from community members, neighboring landowners, Tribal communities, organizations, and all interested members of the public. Your comments are valuable and can help BLM identify issues, clarify information, and consider perspectives as it evaluates the proposed project.

Please review the Draft EA and submit comments through the BLM's ePlanning website using the link below. The ePlanning page provides project information, access to available documents, and instructions for submitting comments.
